

**New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum**

Short Evaluation

1. What did you like the most about our workshop?

Practical, useable apps! Finally! Also liked hearing about how others practically use their tablets

2. What suggestions do you have for improving this workshop?

getting wifi password so we can upload some of the apps
white in the workshop

3. Any other comments:

I was looking for this workshop the whole conference.
Thank you so much. Very helpful

Thank you for attending!

New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum

Short Evaluation

1. What did you like the most about our workshop?

learning about multiple tools to use at my institution

2. What suggestions do you have for improving this workshop?

probably out of your control, but need larger classroom.

Excellent job!

3. Any other comments:

Thank you for attending!

New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum

Short Evaluation

1. What did you like the most about our workshop?

All the apps available in each area
Admin, Education, Patient Care, and Productivity
The opportunity to explore each area
Also appreciate the skit with the different roles

2. What suggestions do you have for improving this workshop?

It was great do not see a need of
improvement.

3. Any other comments:

Thank you

Thank you for attending!

New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum

Short Evaluation

1. What did you like the most about our workshop?

4 separate focuses

Very organized presentations w/ prep done ahead
so not scrolling or taking time to open/load

Fun skit

wiki to access all suggested apps.

2. What suggestions do you have for improving this workshop?

Nothing

3. Any other comments:

awesome

I've been to 2 other tablet workshops
in part & this was best

Thank you for attending!

**New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum**

Short Evaluation

1. What did you like the most about our workshop?

Great exposure to useful apps

2. What suggestions do you have for improving this workshop?

*- Use a laser pointer on screen
to help us follow*

3. Any other comments:

Great session!

Thank you for attending!

THE UNIVERSITY OF CHICAGO

PHYSICS DEPARTMENT

PHYSICS 311

PROBLEM SET 1

New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum

Short Evaluation

1. What did you like the most about our workshop?

Applications

practical helpful apps.

experience of users, enthusiasm of team.

great to involve chiefs, APDs, student

2. What suggestions do you have for improving this workshop?

more apps!

USB C apps uploaded"

3. Any other comments:

GREAT! BEST workshop @ APD!

Pamfatic. I'm so excited for new

apps - will Δ my life - professional &

personal -
unorganized.

Thank you for attending!

New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum

Short Evaluation

1. What did you like the most about our workshop?

Organization

Upbeat atmosphere

skit

2. What suggestions do you have for improving this workshop?

Its hard, but for persons
w/ hearing impairment, the
acoustics are difficult when

3. Any other comments:

all 4 tables go
at once

Thank you for attending!

New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum

Short Evaluation

1. What did you like the most about our workshop?

The best workshop I have ever been to.
Very organized, great use of acting, small groups,
video presentations and discussion. Perfect ~~format~~
format for what a workshop it for.

2. What suggestions do you have for improving this workshop?

Larger room or smaller breakout rooms for
the 4 small groups (The noise was a bit loud)

3. Any other comments:

Thank you for attending!

**New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum**

Short Evaluation

1. What did you like the most about our workshop?

Everything!

2. What suggestions do you have for improving this workshop?

? provide print

3. Any other comments:

*Thank you for a very excellent workshop!
Very helpful & useful!*

Thank you for attending!

**New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum**

Short Evaluation

1. What did you like the most about our workshop?

Rotating stations kept it engaging.
Quick demonstrations were very helpful.
Wiki link is great addition! Thanks!

2. What suggestions do you have for improving this workshop?

Some stations were a bit rushed.

3. Any other comments:

Very energetic group - Well done!

Thank you for attending!

New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum

Short Evaluation

1. What did you like the most about our workshop?

Learning ABOUT what APPS people are using
& how.

I will for SURE be making CHANGES BASED ON THIS.

THANKS

2. What suggestions do you have for improving this workshop?

This was great, very helpful for me. I'm a new
user so all of this was super informative
for me.

3. Any other comments:

Thank you for attending!

New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum

Short Evaluation

1. What did you like the most about our workshop?

Very informative.
Teachers were very patient

2. What suggestions do you have for improving this workshop?

A lot of info, especially in
Admin section - so more time
on less apps?

3. Any other comments:

Absolutely ~~is~~ Great workshop.

Thank you for attending!

New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum

Short Evaluation

1. What did you like the most about our workshop?

well organized division of apps, though sometimes
same app shown twice

Good chance for input from others

2. What suggestions do you have for improving this workshop?

Ideally, larger room so not as noisy (beyond your
control)

Provide printed (or downloadable) list upfront

3. Any other comments:

Thank you for attending!

New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum

Short Evaluation

1. What did you like the most about our workshop?

- Lots of practical descriptions of apps
- Small groups - 15/4

2. What suggestions do you have for improving this workshop?

Would have preferred reinforcing use of apps that were discussed in 15/4 and apps instead of learning about more apps in less organized manner (in clerkship discussion setting)

3. Any other comments:

Very nice!
Would be good to take us step by step!

Thank you for attending!

New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum

Short Evaluation

1. What did you like the most about our workshop?

The best workshop I have ever been to.
Very organized, great use of acting, small groups,
video presentations and discussion. Perfect ~~format~~
format for what a workshop is for.

2. What suggestions do you have for improving this workshop?

Larger room or smaller breakout rooms for
the 4 small groups (The noise was a bit loud)

3. Any other comments:

Thank you for attending!

New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum

Short Evaluation

1. What did you like the most about our workshop?

Amazing amount of resources for all different parts of my life + work! Super practical. Loved that the hotel had free wi-fi so we could download as we went!

2. What suggestions do you have for improving this workshop?

Sounds silly but make sure people bring their mobile devices!
(maybe a note in the booklet?)

3. Any other comments:

Best workshop I attended this conference!

Thank you! ☺

Thank you for attending!

New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum

Short Evaluation

1. What did you like the most about our workshop?

- So many great, specific examples
- very applicable
- great use of technology with the presentation
- extremely high yield

2. What suggestions do you have for improving this workshop?

It got a little hard/hard to hear when in the small groups

3. Any other comments:

One of the best parts of the meeting!

Thank you for attending!

New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum

Short Evaluation

1. What did you like the most about our workshop?

The opening skit was great!!
Great demos on practical apps.

2. What suggestions do you have for improving this workshop?

None. Great job!!

3. Any other comments:

Outstanding -

Thank you for attending!

New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum

Short Evaluation

1. What did you like the most about our workshop?

Lots of ideas
with show + tell

2. What suggestions do you have for improving this workshop?

If the wiki includes
everything I can't think
it was a lot to take in so
the wiki would be helpful

3. Any other comments:

Thank you for attending!

New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum

Short Evaluation

1. What did you like the most about our workshop?

learning about basics of iPad (not currently
a user)

2. What suggestions do you have for improving this workshop?

? Tell attendees in advance to solicit
suggestions of useful apps, then review
and present those found useful.

3. Any other comments:

Very much enjoyed this session.
learned a lot of useful information.

Thank you for attending!

New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum

Short Evaluation

1. What did you like the most about our workshop?

*interactive
kept it light & fun*

2. What suggestions do you have for improving this workshop?

3. Any other comments:

Thank you for attending!

**New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum**

Short Evaluation

1. What did you like the most about our workshop?

*The sheer wealth and depth
of the different apps + uses was
incredible. - dividing up apps by category
was also very helpful*

2. What suggestions do you have for improving this workshop?

*• Bigger room ⇒ out of your control
(to allow for groups to
hear each other)*

3. Any other comments:

Awesome!

Thank you for attending!

**New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum**

Short Evaluation

1. What did you like the most about our workshop?

test trialing different apps, group division

2. What suggestions do you have for improving this workshop?

more clear on free vs cost of apps

3. Any other comments:

great workshop
really appreciate wiki access

Thank you for attending!

New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum

Short Evaluation

1. What did you like the most about our workshop?

Love the collaboration between programs + groups
Like that you have everything in 1 spot
on Wiki

2. What suggestions do you have for improving this workshop?

Thought it was great!

3. Any other comments:

Thank you for attending!

**New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum**

Short Evaluation

1. What did you like the most about our workshop?

Loved it!

Skit was really fun. Very entertaining
& fun.

Very practical info. Have already downloaded
& played with 3 apps during workshop!

2. What suggestions do you have for improving this workshop?

none

3. Any other comments:

Thank you for attending!

New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum

Short Evaluation

1. What did you like the most about our workshop?

Everything but especially the
Education Apps

2. What suggestions do you have for improving this workshop?

shorter intro
slightly longer wrap up +
group questions

3. Any other comments:

Thank you for attending!

**New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum**

Short Evaluation

1. What did you like the most about our workshop?

*The abundance of Apps that
I did not know about.*

2. What suggestions do you have for improving this workshop?

None

3. Any other comments:

Thank you for attending!

**New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum**

Short Evaluation

1. What did you like the most about our workshop?

Everything!! But honestly, all the apps discussed will be so helpful. Thankyou!

2. What suggestions do you have for improving this workshop?

none. This was really phenomenal.

3. Any other comments:

Thank you for attending!

New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum

Short Evaluation

1. What did you like the most about our workshop?

learning about all the apps +
sharing how people use them

2. What suggestions do you have for improving this workshop?

While the small groups were good,
the room was too small + at times
I could not hear the topic at my
table -

3. Any other comments:

Thanks so much for your
very helpful + creative
presentation - I gained a lot
Do it again next year!

Thank you for attending!

**New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum**

Short Evaluation

1. What did you like the most about our workshop?

*Rotating interactive sessions
Good examples of various apps*

2. What suggestions do you have for improving this workshop?

3. Any other comments:

Very informative

Thank you for attending!

**New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum**

Short Evaluation

1. What did you like the most about our workshop?

Very informative
most useful session I attended

2. What suggestions do you have for improving this workshop?

3. Any other comments:

great

Thank you for attending!

**New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum**

Short Evaluation

1. What did you like the most about our workshop?

Very innovative - liked various workshops.

2. What suggestions do you have for improving this workshop?

Nothing - great!

3. Any other comments:

Great job!

Thank you for attending!

**New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum**

Short Evaluation

1. What did you like the most about our workshop?

Everything

2. What suggestions do you have for improving this workshop?

More time for app newbee

3. Any other comments:

Thank you for attending!

New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum

Short Evaluation

1. What did you like the most about our workshop?

The workshop divided into the 4 sessions was great. Great ideas.

2. What suggestions do you have for improving this workshop?

Maybe a little more time to go more in depth into a few apps. Example: prezi & how you use it.

3. Any other comments:

Great workshop with great ideas!

Thank you for attending!

New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum

Short Evaluation

1. What did you like the most about our workshop?

Everything!
Great step by step demonstration of many,
many different apps for the
new user.

2. What suggestions do you have for improving this workshop?

~~can~~
assume some of us know nothing
spell apps not just say it

3. Any other comments:

This should be a yearly workshop & updates
Best workshop all weekend.

Thank you for attending!

New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum

Short Evaluation

1. What did you like the most about our workshop?

Everything
Very interactive
Great examples
Cute gimmicks

2. What suggestions do you have for improving this workshop?

None

3. Any other comments:

My brain hurts - great fun!

Thank you for attending!

**New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum**

Short Evaluation

1. What did you like the most about our workshop?

Great presentation.

Very helpful to see everyday applications

2. What suggestions do you have for improving this workshop?

Bigger Room

3. Any other comments:

Thank You!

Thank you for attending!

New Life-Saving Devices:
The Tablet Computer Across the Pediatric Continuum

Short Evaluation

1. What did you like the most about our workshop?

Interactive / Showy

2. What suggestions do you have for improving this workshop?

Going around tables
instead the speaker more

3. Any other comments:

excellent presentation

Thank you for attending!
