GUEST FELLOW

9. Was the activity balanced and free of commercial bias? Comments:

EXCELLENT RECOMMENDATION AND HELP.

OUTSTANDING

REALLY GREAT. USEFUL, DIRECTLY APPLICABLE, INTERACTIVE, HIGH TECH!

SLIGHTLY LONGER GROUP SESSIONS.

THERE WAS MORE INFO FOR APPLE, ? THIS IS WHAT I USE - SO GREAT!

11. Comments about this Workshop (i.e., how to improve it, should same presenters present again, learner participation, quality of handouts):

1 VERY HELPFUL TO AID WITH EDUCATION OF RESIDENTS AND ?. 2 HELPFUL TO ORGANIZE.

BE MORE INTERACTIVE AND ENTHUSIASTIC, HAVE A LIST OF ALL THE APPS

DEFINITELY SHOULD BE PRESENTED AT FUTURE INTAP - PAS, AAP

FANTASTIC!

GREAT SESSION BY THIS GROUP - SHOULD TRY TO RECRUIT A FACILITATOR / SPEAKER FROM ANOTHER PLACE TOO.

INFORM PARTICIPANTS TO BRING THEIR TABLETS BEFORE THE SESSION.

IT WOULD BE NICE TO SEE HOW TO USE IT IN LEARNING EXERCISES.

MORE CONCRETE IDEAS ON HOW TO GET STUDENTS TO USE THEIR IPADS.

PLEASE CONTINUE TO UPDATE US.
